## **PAR EXCELLENCE ACADEMY TEACHER-PARENT COMPACT**

### **PURPOSE OF THIS COMPACT:**

This compact is required by No Child Left Behind to be developed jointly by parents, teachers, and administrators of our school. Its purpose is to clearly state how parents, the entire school staff and students will share the responsibility for improved academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve academic success as specified by the State's academic content and assessment standards.

This compact is in effect through July 1, 2017 and will be reviewed and revised according to the Parental Involvement Policy 001.

### **PAR EXCELLENCE ACADEMY WILL:**

1. Each student will be provided high-quality curriculum and instruction that is highly correlated to the Ohio's Content Standards. A highly qualified teacher will monitor each student. Students will be assessed individually and where necessary instruction will be differentiated among those students to meet individual needs.
2. Parent-Teacher conferences will be held two times a year. During which this compact will be discussed as it relates to the individual child's achievement.
3. Parents will be provided with periodic progress reports that show students progress and needs. The reports will be distributed in hard copy. Parents of students demonstrating at risk behaviors will be notified early in the teaching and learning cycle.
4. Parents can contact staff through telephone or in person. Arrangements may be made through the school office. Parents are encouraged to monitor the classroom environment by arranging such visits through the teacher and school administrator.
5. All parents will be notified of opportunities to fully participate in the operational and educational activities of the school. A Parent Advisory Committee is open to all parents and will meet monthly. Capacity building/parent development workshops are also scheduled throughout the year.
