

**To My
Classroom
Family,**

Words can't describe how proud I am of all of you. We went from classroom learning to distant learning and you rocked it!

I miss your hugs, laughs, daily stories, and your personalities.

I have enjoyed seeing you work together, overcome hard obstacles, and learn beyond my expectations.

You are all intelligent, funny, goofy, and beyond amazing!

I love you all to
the moon
& back!

Mrs. Armstrong 1st
Grade

Families,

Thank you for trusting me to take care of and to teach your babies. I promised you I would take care of them, push them to succeed, and to love them like my own. Thank you for supporting me and for being amazing. I am so happy with the relationships we have built and the support we have given your child together as a team! Thank you, thank you, thank you!
