

Dear families,

Due to the health and safety of our children, families, and staff, please only bring in supplies that will fit in a school box or small tote. Mark the box/tote with your child's name and grade on the outside. We do not want large amounts of supplies coming into school at one time that will have to be sanitized.

Teachers will give you enough notice when and how they would like the rest of the supplies.

Currently, this is the safest and healthiest procedure for our community.

All students, K-6, are to bring in at least two masks; one to wear and one extra.
